

## JOHNSON PLEADS GUILTY, ENDING TERM OF COURT

Admits Offense When Second Trial Is Started; No More Cases Until February

TOMBSTONE, Dec. 29.—When Otis Johnson, charged with rape, entered a plea of guilty this afternoon, the late December term of the superior court, which was called especially to try three cases, came to an abrupt ending and the jury which reported today was excused for the term.

This morning when the jury reported, the defendant disqualified Judge Lockwood from sitting in the case and it was necessary to adjourn until 1:30 when Judge Sames arrived from Tucson where he had been holding court the past few days.

When court was ready to start, the defendant's attorney, H. J. Robinson, of Douglas, announced the defendant desired to change his plea to that of guilty, which he entered and the defendant was remanded to jail pending further action.

With the sudden ending of the Johnson case, the case against John Tardy, which grew out of the Johnson case, on a charge of tampering with witnesses in a former trial of Johnson, was dismissed on motion of County Attorney Ross.

This left only the Chas. Gardner case set for January 4th on the docket and in view of this fact, on agreement of attorneys to continue, the case until the February term, Judge Lockwood ordered the jury dismissed for the term, rather than to put the county to further expense of holding the jury until that time. Gardner is charged with horsestealing as a result of testimony given in the Mills case at the November term of court.

The following list of jurors reported for duty this morning:

Geor. W. Storm, of McNeal; Clinton Sharp, of Whitewater; C. B. Holden, of Rucker; Amos Rex, of Bowie; Walter Rushin, H. T. Shuster Dewey Chadwick, R. L. Johnson, and D. M. Armstrong, of Tombstone; H. ## Billings Attorney Asks Information of Local Climate

R. G. Wiggenshorn, an attorney of Billings, Mont., has written the local chamber of commerce for information that may result in his spending the winter here.

"Your locality has been recommended to me as possessing a fine winter climate," he wrote Secretary Bert Smith. "I am interested in its advantages for a man seeking a rest and recreation, and would appreciate any information you can give me as to climate, scenery, etc."

The letter was typical of many that are received almost daily by the chamber of commerce.

The second annual cup match is scheduled to be rolled off tonight at Douglas between the Bisbee and Douglas V. M. C. A. teams. Douglas won the first contest by the narrow margin of 26 pins, and Bisbee is all set to wipe out that margin and roll up one of her own. If the averages made in the last tournament, in which the team was selected, furnish reliable "dope" on which to base expectations, then it should be an easy win for Bisbee. Since the best averages were made that any cup team has had for many a year.

The teams that meet tonight on the Douglas alleys will line up as follows: DOUGLAS—Children, Negri, Wish, Hart, Greenburg, Young. BISBEE—Blair, Wittig, Rogers, Wetmore, Hicks, Owen.

## URGE COUNTY'S 'WORST ROAD' BE REPAIRED SOON

Residents in Vicinity of Osborne Want Supervisors to Reconstruct Highway

Residents in the vicinity of Osborne and the Forrest Station road are circulating a petition that it is reported, will be presented to the Bisbee Chamber of Commerce, urging the chamber to help in getting repaired or reconstructed the Forrest Station-Osborne-Warren road, now rated as the worst road in the county.

Farmers who market their produce in Bisbee are eagerly signing the petition, it is said. The Osborne-Warren road is at present a masterpiece of everything a road should not be. Bisbee district residents, driving to Osborne to meet trains, declare the road a disgrace to the county. The wording of the petition now being circulated in the vicinity of Osborne follows:

"We, the undersigned tax payers and residents of Cochise county, residing in the vicinity of Bisbee Junction to Forrest Station road, and the Bisbee Junction to Warren road, petition you to secure us immediate relief by repairing and reconstructing the above mentioned roads.

"We are daily compelled to bring our farm products to Bisbee over a road which is beyond question the worst road in the county.

"To our certain knowledge no repair work of any kind has been done on this road for many months, so that it has become almost impassable, particularly for trucks loaded with farm products.

"We urge you in the interest of securing low cost products for the Bisbee district, that you at once intercede with the Board of Supervisors, in our behalf and secure the necessary repairs as soon as possible. We also urge that the Board of Supervisors be requested to maintain these roads in good condition so that the expense of upkeep will be minimized."

NEW YORK, Dec. 29.—Tex Rickard announced today he was arranging a bout between Luis Firpo, the South American light heavyweight, and the winner of the Bill Brennan-Floyd Johnson match in this city on January 12. Firpo already has agreed to return to the United States.

PUEBLO, Colo., Dec. 29.—Don "Terror" Long, of Colorado Springs, Colo., was given the decision over Tommy Hope, of Denver, at the end of their 12-round bout in Trinidad, Colo., tonight.

Long was the aggressor throughout the bout which was staged for the benefit of the Federated Railroad Shop Crafts union.

## Arrange Meetings of Luncheon Club

The Bisbee Luncheon Club plans to make January one of its best months. A complete program for the Thursday meetings is being arranged and many interesting speakers will be guests of the club during the first month.

At the first January meeting, next Thursday, P. G. Beckett, general manager of Phelps Dodge Corporation, will be the speaker. The following week, either Judge A. M. Sames or Dr. F. T. Wright, of Douglas, will be the speaker. For the January 18 meeting an effort will be made to secure one of the speakers attending the convention of the Arizona Good Roads Association in Douglas.

Will Conduct Services at 11 in St. John's Episcopal Church; Special Music

The Right Reverend Julius Walter Atwood, Protestant Episcopal Bishop of Arizona, will arrive in Bisbee this evening and will conduct services at St. John's Episcopal Church at 11 tomorrow morning. The Christmas music will be repeated during the services.

Bishop Atwood is one of the most widely known church leaders in the southwest and a speaker of national repute. He has been a lecturer on church history in several colleges. Bishop Atwood came to Arizona in 1906 as rector of Trinity Church, Phoenix. In 1907 he was made Archdeacon of Arizona, in 1910 chosen deputy to the general convention and, on January 18, 1911, consecrated Bishop of Arizona.

His visit to St. John's tomorrow will no doubt bring out an unusually large congregation.

## DRIVER INJURED AS CAR CRASHES

Jack Harris Badly Hurt When Machine Plunges Off Road and Then Overturns

While driving a car from the Bisbee Auto company, Jack Harris was severely injured about three o'clock yesterday afternoon on the Benson-Tucson road when a front wheel broke turning the car up a steep embankment from which it overturned on the driver.

Harris was badly cut about the face and bruised about the upper part of the body. He was brought back to the city and taken to his home where he was given medical treatment. It is thought that no bones were broken but he will be confined to his home in Tombstone Canyon for several days.

Harris had gone with Bill Sherill, an employee of Bowen, to a point several miles west of Benson to repair a broken car and had taken Harris along to drive the car back. Harris was following Sherill after repairs had been made when the accident happened.

Tourists lifted the wreckage from Harris' body.

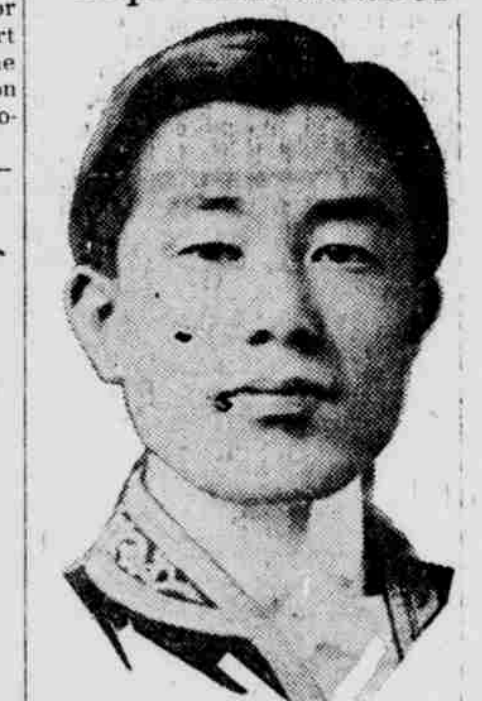

## American Steamer Company Protests Daugherty Ruling

WASHINGTON, Dec. 29.—Declaring "irreparable damage" will be done "through diversion of passenger traffic to foreign lines," unless the ruling of the attorney general that ships of the attorney general that ships of American registry, wherever they may be, are subject to the prohibition amendment and enforcement act, be overruled, the United American lines and others filed in the supreme court today a brief in their case which will be reached for argument next week.

The steamship companies in the brief claimed the right "to dispense intoxicating beverages to passengers upon the high seas and in foreign ports independently of the question of whether these may be lawfully brought within the three mile limit," and also "the incidental right to keep such beverages in reasonable quantity as sea stores on board their ship under the regulations of the treasury department while within the ports and harbors of the United States."

The coast guard crew shot a line across her and brought the skipper and the crew of five ashore by a breeches buoy.

## Overall Staging Come-Back

Orvie Overall, old pitching star of the Chicago Cubs, is shown here getting into shape tossing the sour fruit on his California lemon ranch. It is rumored that Overall will return to baseball, assisting Frank Chance in coaching the Red Sox pitchers.

## Pittsburg Eleven Believed to Have Edge on Stanford

STANFORD UNIVERSITY, Dec. 29.—East will meet west again at football this year when the University of Pittsburg plays Stanford university stadium here tomorrow. Observers predict a low score, with the odds favoring the visiting Panthers, who are rated one of the best teams from beyond the Mississippi.

Glenn "Pop" Warner, the "daddy" of all the nationally known coaches, will be playing his right hand against his left in the game, for he is coach of the Pitt team and advisory coach of the Cardinal eleven. He comes to take charge of football at Stanford when his contract with Pitt expires next year.

Pitt has the edge on Stanford in offensive work, it is believed, as Hewitt the fullback, is a better line plunger than any of the local backfield men. On defensive both teams are rated about even, with the Stanford line heavier but not as experienced as that of the visitors.

Art Wilcox, key man in the Cardinal offense, will be kept out of the game by injuries received while playing against the University of Southern California. Wilcox was expected to match Flannigan, Pitt's "triple threat" man as he is a kicker, passer and runner.

Rain fell today and indications are that the game may be played during showers.

## RUM SCHOONER ON ROCKS

PROVINCETOWN Mass., Dec. 29.—High and dry on the rocks of the Race point coast guard station, the two masted British schooner Annie L. Spindler, out of Yarmouth, N. S., was breaking up tonight under a fierce northwest gale, while scores of Cape Cod folk waited on shore in the hope of salvaging part of her cargo.

The schooner, it was reported, had on board 600 cases of whiskey. Her papers showed that she was bound from St. Pierre, Miquelon, to Nassau.

The coast guard crew shot a line across her and brought the skipper and the crew of five ashore by a breeches buoy.
